Summary Social Justice Zoom Meeting Wednesday October 13, 2026

Present: Doneta Stephensen, Nick Tinker, Lisa Kenyon, Becky Newberry, Gabrielle Applequist

Review of past activities

Ellie Krug's workshop: well attended by KOG members and other faith communities, with follow-up messages from Ellie. Extra photos developed by Gabrielle will be given to Mary in the office.

Interfaith Sack Lunch: well attended as well. Serious conversations about different types of topics. Plenty of food. A discussion concerning Christian nationalism occurred.

Boise Pride Parade: The new KOG "There's a place for you here" banner made it's first appearance carried by committee members. Additionally, the new NWIM Synod banner with Bishop Meggan and Luther Heights banner with Todd and Lisa Kraft joined the parade. We need to advertise it better so we have more participants from KOG; organize carpooling from church; give better directions and parking tips for the event.

CROP Walk organized by Doneta: around $650.00 were raised at KOG.

Planned activities for the rest of the year

Camera for the RIC banner in front of the church. To be installed in the near future. Nick is in charge. The camera costs $80.00. It will be paid from the Social Justice budget and donations. The RIC logo sign will return when the security camera is active.

Irma Hayman House Guided Tour, Friday October 30th at 10am. Carpooling from church and possible lunch at the Cottonwood Grill. Reservation for the Tour has already been made.

Bread for the World Event, Saturday October 31st from 10 to 11:30 am at the Southminster Presbyterian Church, 6500 W. Overland Rd. Boise. The event has been announced in the newsletters.

Domestic Grant for the Interfaith Shelter: Nick mentioned he will have an answer by the end of the month.
