

KOG Social Justice Committee Minutes
January 13, 2025

Members of committee Gabrielle Applequist and Gretchen Bingea met over Zoom.

1. **RIC anti-bias training.** Once the new Congregational Council has been elected following the annual meeting on January 26, we will ask the Council to determine a day and time for the one hour training. Once that has been determined, committee chairs and members and other congregation members will be invited to participate as well. After the \$75 training resource has been purchased, we will have 30 days to use it.
2. **Cafe Justo.** Our committee will sign up to host one Sunday in February, serving coffee from Cafe Justo and printing out materials again for people to learn more about it.
3. **Add the Words.** Gretchen will submit an article for the weekly newsletter about a day of resistance on January 28th.
4. **Weekly vigils at Capitol.** We will continue to publicize these Wednesday noon vigils at the Capitol during the legislative session.
5. **New members for committee.** With Nick Tinker's resignation from Social Justice committee, we are down to only 2-3 active members. We will talk personally to some others in an attempt to recruit new members.
