2023 STEWARDSHIP APPEAL

One thing I ask of the LORD,
this is what I seek: that I may
dwell in the house of the LORD
all the days of my life, to gaze
upon the beauty of the LORD
and to seek him in his temple.
PSALM 27:4

Sustaining Ministry Excellence in our Home

What can we do in 2023 to begin our next 60 years of ministry? One answer is to continue to properly sustain our ongoing ministry.

To do so in this challenging economic situation, we will

» **Pay our staff fairly and competitively.**

The 2022 budget did not include salary increases for staff. In order to continue to take care of our staff, we must increase our staff compensation in 2023.

» **Keep our building safe and secure.**

Our Church home experienced a break in and theft in mid-2022. A recent meeting with Ed Fritz, Boise Police Crime Prevention Supervisor, helped us identify some basic building security enhancements that should be made to further secure our Church property. This includes adding exterior and entry video cameras and upgrading locks on some of the exterior doors.

» **Set aside funds to cover anticipated building repairs.**

Did you know that the building is heated and cooled with 11 different rooftop units? These units were replaced in 2004-2005. It is expected that they will need to be replaced in the next 5 to 10 years. The Church building and parking lot—our front door to our community—require regular maintenance as well. We will therefore set aside funds each year to be ready for these inevitable major projects when the time arrives.

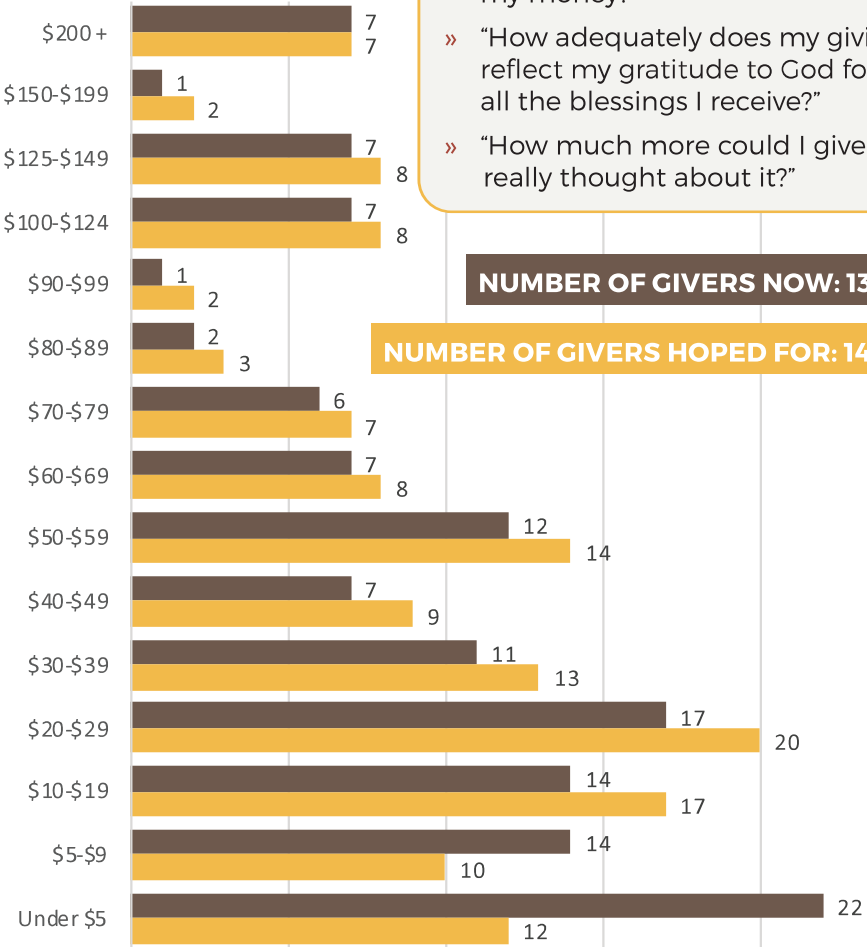

Your increased generosity in 2023 will ensure that our church home and the ministry that begins inside remains vibrant for the next 60 years.

The goal of our Welcome Home King of Glory 2023 Stewardship Appeal is to increase gifts and offerings by \$60,000. Pray for a generous response and please prayerfully consider increasing your gift of the coming year. With your help we'll not only continue to connect with each other, but we'll also be connected to the future of our church.
